Leadership Workshop Series

Monday, March 9th Speaking Like a Leader

Presented by: Dr. Abby Brooks, Assistant Professor-Communication Arts

Often leaders are in positions that they must speak to others with little or no preparation time (e.g., meetings, interviews, conferences). This workshop will help individuals be more prepared for such impromptu occasions as we will explore the components of a speech and participants will practice thinking on their feet!

All Workshops are held in RU 2041 from 5:30-6:30PM
