"Wanted" posters with a color photo of Mr. Everett have been posted throughout the Residence Halls.

Summer School Housing

Summer school housing for summer 2010 will be in University Villas. If you want to stay in on-campus housing for summer 2010, you must sign up at www.gsuhousing.com/summer10. Please make sure to select the correct term/terms when completing the application so that we can assign you to an appropriate space depending on the dates you will be living with us for the summer! This is very important because if you only indicate you will be staying for A Term and you change your plans, your room may no longer be available for B Term depending on when you notify our office.

If you have any questions, please contact University Housing at (912) 478-5287 or housing@georgiasouthern.edu.
