- Study smarter by being organized. Make a list of things you need to learn by order of importance.
- Stay calm before and during the tests, because stress can impair your memory. Take deep breaths and visualize success!

Are you leaving housing for Spring 2012?
Are you Graduating? Student Teaching?
Studying Abroad? Participating in an
Internship? Transferring to another
institution?

Current on-campus residents who will not be living on campus for the spring semester need to notify the Department of Housing office by November 1, 2011, that they will not be returning to the residence halls.

In order to avoid (or minimize) any fees, please cancel your housing as soon as possible. Students who are canceling for the Spring for a valid reason before November 1, 2011 will not receive a cancellation fee. Students who cancel after November 1, but before December 1 will be assessed a \$100 cancellation fee. Students who cancel after December 1, but before the first day of Spring classes will be assessed a \$200 cancellation fee. Students who fail to cancel for the Spring will be charged a \$200 cancellation fee in addition to the daily rate for their room up until the date the student informs the University Housing Central Office of their intention to leave.

To cancel your housing for Spring 2012, please complete the following steps:

- (1) Complete the on-line cancellation at www.gsuhousing.com/cancel/ Does it matter when I cancel? Yes!
- (2) Provide official documents of your involvement in one of the above programs to the Housing Office in Watson Hall
- (3) Check out of your residence hall with your CL and return your keys to avoid any improper check-out, cleaning, and/or lost key charges.

If you have any questions, please contact the Assignment's staff at housing@georgiasouthern.edu or (912) 478-5406.
